SUBJECT: Results of investigation of Participation of
Dr. Heinrich OPGZAREK in the Attempted Assassination
of Adolf HITLER on 30 July 1944

TO : whom It May Concern

1. Investigations conducted by this Headquarters about the attempted assassination of Adolf HITLER on 30 July 1944 have given the following evidence concerning the participation of Dr. Heinrich OPGZAREK, born 15 July 1914 in Vienna, an Austrian citizen.

2. Dr. OPGZAREK already knew of the intended assassination during the month of February 1944. With Major i.G. (Staff) GUNN, OGH, Org. 201., he investigated the explosive and determined from where this explosive could be obtained.

3. Even in February 1944, Dr. OPGZAREK was in contact with Lt. Col. SCHRADER, OGH, who committed suicide just before his arrest in connection with his participation on 30 July 1944. Lt. Col. SCHRADER visited Dr. OPGZAREK several times and also ordered him to his office.

4. It is evident that Dr. OPGZAREK was connected with the preparation of the 30th of July. Therefore, he actively assisted to destroy the rule of National-Socialism in Austria and Germany.
